NOTE...the following is a summary of the public hearing. The detailed language of the hearing for these minutes is attached. The attached certified copy of the minutes is a transcript provided by Mike Mobley Reporting. The transcript is the intellectual property of Mike Mobley Reporting and is not a public record. The transcript is made a part of these minutes and approved by the Xenia Township Board of Trustees and the Fiscal Officer.

A legal notice for tonight's meeting was sent to the Xenia Gazette advising the time, date and place for the hearing. Xenia Township also posted the notice on the Xenia Township web site – [www.xeniatownship.org](http://www.xeniatownship.org); no other notices were sent.

The purpose of this hearing was to allow the public to be heard as the Trustees considered the recommendation of the Xenia Township Zoning Commission to change the zoning of 289.7 acres in an area bounded by SR 235, West Enon Road and West Hyde Road from Agriculture to M-3 Mineral extraction.

Chairman Scott Miller called the public hearing to order at 6:00 pm at Robeson Auditorium on the campus of Central State University. Those attending from the Township included Trustees Miller, Reed & Lewis and Fiscal Officer John Faulkner. Angelia S. Moore from Mike Mobley Reporting provided this transcript. Sign-in sheets were placed in the entry for all attending to register their attendance; sign-in sheet copies are attached. All attending participated in the pledge of allegiance.

Presentations were made by CEMEX representatives, discussion was held and public testimony was received. All of the above are contained in the transcript attached.

There were no Trustee action items for tonight's meeting.

Having conducted the public hearing, Chairman Miller made a brief statement about what comes next, see page #96 of the transcript, and adjourned the meeting.
